CARRIAR EL

**WHOLESALE OF
TOBACCOS & CIGARETTES**

The Tobacco activity is a startup tobacco manufacturing facility, that aims to produce fine quality cigarettes and tobaccos. We work to determine trends in the tobacco industry, the needs of customers, and how best to address these needs.

We aim to provide customers with high quality products at affordable prices.

Our products are geared for a low-end market, which is comprised of customers with low to medium income as a start.

We aim to present wide variety of cigarettes and RYO products that comes in different flavors and sizes to meet customers' expectation.
